

Grandma Clark's Riddles

There is a thing that nothing is *But yet it has a name* *It will hit, skip, and nimble tip* *And be as sry as you or I* *At any game*

There was a lady queen Sat in a garden green The first day of her life She was maid and married wife And died before she was born

In times of old the scriptures do record There was one lived who never did offend the Lord The words he spake sin never did commit Yet in Christ's Kingdom he shall never sit

Word of one syllable, easy and short Spelled backward and forward the same It expresses the sentiment warm from the heart And to beauty lays principal claim
