

A better website to come!

Please bear with me!

I know you are here to glean whatever genealogical information you can and that's ok, that's why it's here! But, a lot of my stuff was WAY out of date, and so here I am, ready to do a major overhaul of the site. When it comes back, it will all come back better than before. If you have something that just can't wait, then [email](#) me and I'll try to get that up faster! Thanks, Peggy
