

Hilary Marckx & 45-90

Hey Everyone! Here's some odd news for you! I'm a band promoter now. Have been for a while now. I'm promoting Hilary Marckx & 45-90 a really LARGE CALIBER Rockabilly band from Sonoma County, CA. I'm trying to get them publicity and gigs.. Yup, I get a cut of the dough! But, more than the cut, I want them to be seen by a promoter who really knows what he/she is doing and get them really going well!!!! If you have a space over at myspace, I'd love for you to make them a friend. I run their space and will okay it... Here is their link at myspace: <http://www.myspace.com/hilarymarckx4590> And their website (yup, I'm the webmistress): www.45-90.com Let me hear what you think!!! Hugs, Peg P.s. They are willing to play almost anywhere, so long as we can pay for the trip!
