" I could not have said it better myself, if I had wanted to. I don't understand way family members midigate him as if he were something small. He had an incredible impact on this country, as did many, many people. His presense is no less important than say, John Alden. And the line is proven, in terms of those on my Rowe lineage. I am very proud of who I am, and where I come from, for I would not be who I am today, without all of this history. It's even cool that I am fairly closely related to Richard Gere, through this same ancestor.... wow..Oh, Hey Richard, um, we are 10th Cousins! (nothing removed) Heh, heh...
